

# Intralogistics Solutions for Hospitals

Servus Medical Logistics

**SERVUS®**

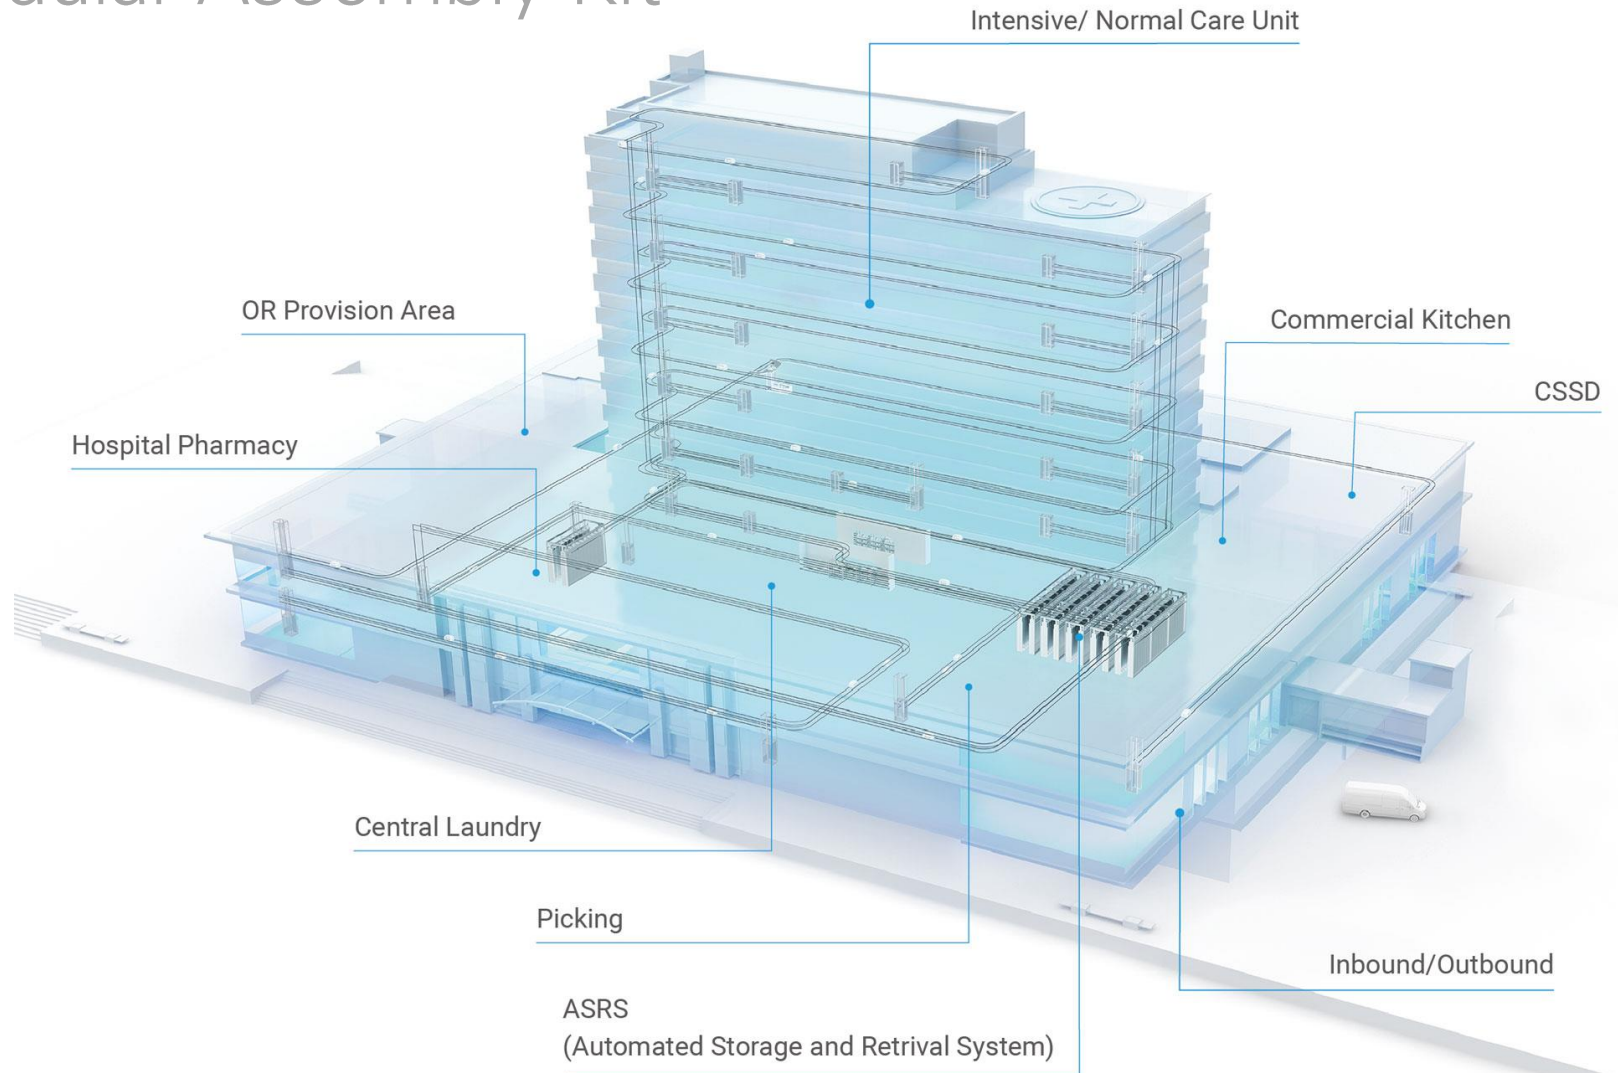

# Medical Logistics

## Servus Logistics Modular Assembly Kit

### What does Servus transport?

- OR materials, instruments
- Sterile goods
- OR linen, bedding
- Material requirements
- Food logistics
- Laboratory samples
- Medication
- Waste
- Blood, blood samples

# Medical Logistics

## Decisive Factors

- Minimum batch sizes and individual delivery
- Dynamic order prioritization
- Fastest material request
- Safe and process reliable
- Safety in hygienic processes
- Separation of people and goods flows
- Availability 24/7
- Scalable and flexible

# Medical Logistics

## Benefits for Hospitals

- Networked intralogistics support the clinic's mission and make it fit for the future
- Gain in space and better availability with simultaneous reduction of storage space
- Future guarantee through flexible expansions
- System security
- Goods to the person thus more time for the patients

# Medical Logistics

## Servus MedARC

- Speed: up to 4 m/s
- Acceleration: up to 2 m/s
- Material: antibacterial stainless steel and abrasion-resistant plastic
- Gentle pickup of transported goods
- Connects workstations within a hospital

# Medical Logistics Software

- Easy to use
- Real-time inventory overview
- Track and trace
- IT-supported procurement
- Automatic material requisition
- Supplier connection
- Easy integration to existing software possible

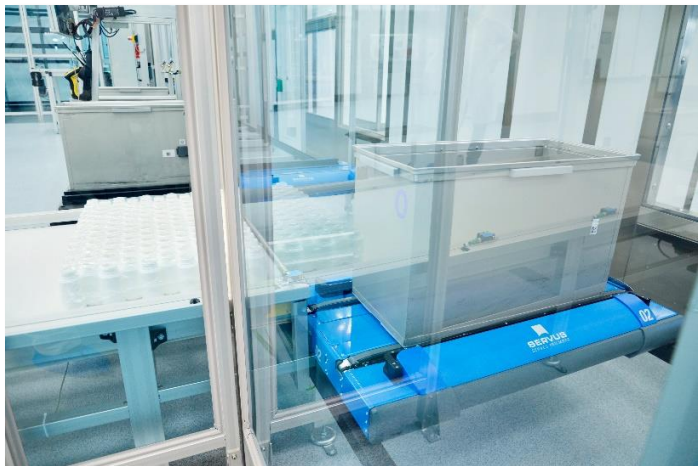

The screenshot displays the 'Kommissionierung' (Picking) interface. On the left, a sidebar lists tasks: 'Auftrag anfordern', 'Komm. durchführen', 'Artikel entnehmen', 'Lagereinheit einlagern', 'Zielreferenz abschließen', and 'Zielreferenz abschließen'. The main area is titled 'Artikel entnehmen' and contains the following fields:

- Lademittel-ID: B1000007
- Auftragsinformation: 314219, 13.10.2021 04:20, Kunde 1
- Position: 1 von 1 / letzte Position
- Artikel: 115953, Arterienklemme, C 3646665
- Entnahme/LEH/AKL: 200 / 300 / 1000 Stk
- Ist-Menge: 200 Stk
- Zielreferenz: K10000008

On the right, there is a 'Zielreferenz' keypad with a grid of buttons (B1, B2, K1, 1-9, 0, arrows, X) and a 'Produktbild' section showing an image of surgical scissors. At the bottom, there are buttons for 'Abbrechen' (red X) and 'Bestätigen' (green checkmark), and a 'Kommissionierung B1000007' button.
