

ŞULE PLASTİK

HIGH QUALITY BOTTLE MANUFACTURER SINCE 1956

Product Catalogue

Şule Plastik Sanayi is **founded in 1956** and since then has made a quick development by considering and addressing Turkish industry's demand for quality packaging. Şule Plastik Sanayi meets the needs of several industries such as food, cosmetics, pharmaceutical and cleaning products with the best quality for plastic bottles, caps for the bottles and injection products that require special care. It produces Polyethylene, Polypropylene bottles and caps for these specified sectors.

With its special definition of quality, Şule Plastik Sanayi continues its production with the machines procured from the vendors having the highest level of technology in their field, and decorates the showcases with custom designed bottle models.

Şule Plastik Sanayi has a wide range of product portfolio, including but not limited to, plastic shampoo bottles, plastic roll-on bottles, plastic powder bottles. The plastic bottles, plastic jars, plastic pumps, plastic sprays, plastic caps and plastic accessories are also offered in different volumes and shapes mainly for the use in cosmetics and dermocosmetics areas.

- ✓ **Founded in 1956**
- ✓ **Leader Manufacturer in Turkey**
- ✓ **3rd Generation in Manufacturing**

The primary mission and vision of Şule Plastik is to ensure continuous customer satisfaction.
