ABOUT US

WHO ARE VEEGLOW INDUSTRIES?

INDIA BASED MANUFACTURER

Veeglow Industries is an India based manufacturer of **high quality** dispensing and non-dispensing plastic closures for the household, chemical and pharmaceutical industries, amongst others.

**HIGH MONTHLY
CAPACITY**

ISO CERTIFIED

**30 YEARS
MANUFACTURING
EXPERIENCE**

**36,000 TONNES
PRODUCED P/A**

FIRST-RATE CLOSURES

Led by a team with **30+ years experience** that annually processes over **36,000 tonnes** for the plastics' FMCG market, Veeglow is on a mission:

“ to bring you the **finest products** at **competitive pricing** and to be your **reliable manufacturing partner** whilst aligning itself with your mid to long term objectives. ”

Through this **synergistic relationship** and by bridging the communication and mindset gap, we strive to be your first choice for **first-rate closures**.

OPERATING GLOBALLY

With **unrivalled manufacturing output** out of India we are capable of seeing you through your growth whether you are a start-up or a global multinational corporation (MNC).

With offices in **India, UAE, Nigeria & the United Kingdom** we have the capability of operating globally yet with a “think-local” attitude, providing you the best of both worlds!
