

## Ticketing & Booking Solutions

# Improve the ticketing and booking experience and your operations

We unify ticketing, booking, point-of-sales, cashless payment and access control in a single, end-to-end technology platform.

Vintia Ticketing solutions improves ticketing and attraction bookings operations and enhances visitors' experience before, during and after events.

### => All-in-one ticketing platform

Provide the best possible visitor experience custom-made to your visitors' needs.

### => Driven to deliver

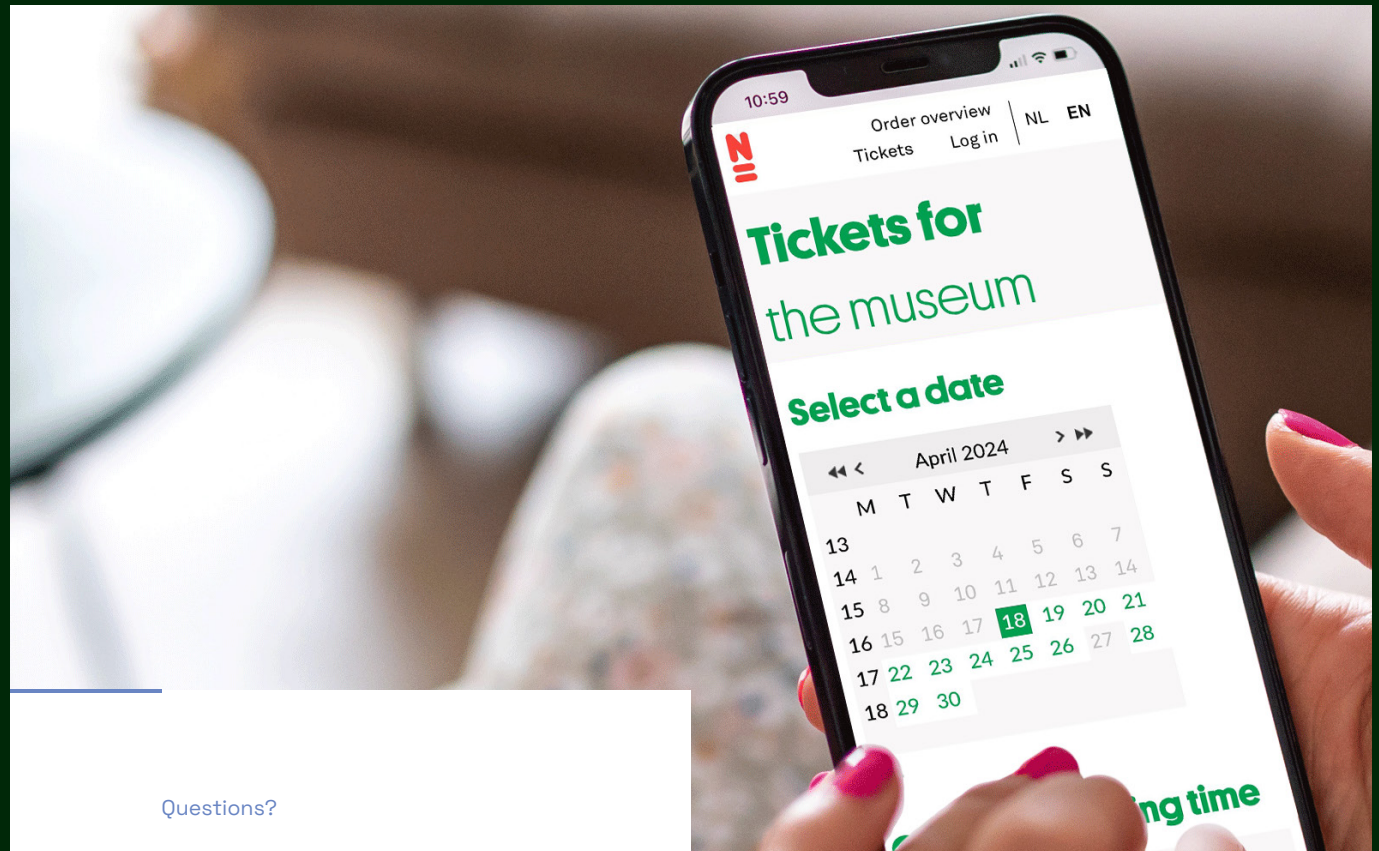

Over 1,000 visitor attractions of all types and sizes trust Vintia to improve their ticketing and booking operations.

### => Industry solutions

We unify ticketing, booking, point-of-sales, cashless payment and access control in a single, end-to-end technology platform.

### => Committed to supporting our customers

We take pride in providing exceptional customer service, and our support team is available 24/7 to assist you.

What we do

## A full Ticketing platform catered to attractions, leisure and sports activities.

### Ticketing

All-in-one solution for your sales, ticketing, registration, and group sales needs.

### Admission and Access Control

Deliver frictionless experiences for visitors and staff with efficient, secure, and flexible access-control solutions.

### Payment

A fully-integrated payment solution and a wristbands cashless payment system to improve your visitors' experience.

### F&B and Retail POS System

All-inclusive point-of-sale (POS) solution that delivers the best possible visitor experience, including a food and beverage POS system, retail and stock management.

### Group Booking

Powerful and intelligent group booking solutions for visitors to quickly and securely book based on time slots.

### Operations Management

Have a complete overview of your business processes with powerful analytics tools and other software modules supporting managers in their day-to-day operations.

Why choose us
